

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Whereas, said loan was not secured and said past indebtedness of Lee County was not paid, for reasons set forth in a certain resolution of the present Board of Commissioners of Lee County, dated March 1st, 1905, which said resolution states, among other things, that in the opinion of the said Board, the claims against Lee County by the Bank of Bishopville were contracted without lawful authority, and, therefore, not a legal obligation, but in all probability a moral one, and

that they are ready and will pay said claims when given authority to do so; and

A JOINT RESOLUTION AUTHORIZING AND DIRECTING THE ATTORNEY GENERAL TO SATISFY THE JUDGMENT OBTAINED AGAINST S. G. MAYFIELD, C. B. FREE AND P. W. SANDIFER AND THE ESTATE OF THE LEGAL REPRESENTATIVES OF MRS. E. M. KENNERLY AND J. W. LANCASTER.

Whereas, Captain A. F. Free executed his official bonds as Treasurer of Barnwell County in 1891-1893-1895-1897-1899, with good and sufficient sureties each for the sum of twenty thousand dollars; and

Preamble.

Whereas, the said A. F. Free departed this life in 1899, and it was found that said A. F. Free, as Treasurer, was short in his accounts in a very large sum, and suit was instituted by the State against the sureties on the official bonds of 1899, 1897 and 1895, and a recovery was had thereon for sixty thousand dollars (\$60,000), the penalty of said bonds, and leave of Court

was had to issue execution for the sum of eight thousand one hundred and forty-one and 64-100 dollars, and the said sureties paid the amount so found due, and the General Assembly by a Joint Resolution, approved 19th day of February, 1901, page 870, of the "Acts" and Joint Resolutions of the General Assembly, "did authorize the Attorney General to satisfy said judgment against the sureties when he shall be certain and satisfied that any and all vouchers of the above mentioned official bonds of A. F. Free, as Treasurer of Barnwell County as aforesaid, and any and all claims thereunder have been fully paid and discharged;" and

Whereas, the Sinking Fund Commission claimed that there had been certain credits allowed to the said A. F. Free on his said official bonds, and instructed the Attorney General to institute proceedings against the said sureties on said official bonds, and in compliance with the said instructions the Attorney General did commence and prosecute an action against the said sureties as aforesaid for the sum of \$2,343.64, claimed to be due on said bonds, and a judgment was rendered dismissing the complaint, and the State duly appealed to the Supreme Court of this State, and said Court affirmed said decision of the Circuit Court, as set forth in Vol. 68, South Carolina Reports, page ; and

Whereas, this General Assembly passed a Joint Resolution, approved March 7, 1905, page 1113, authorizing the Attorney General to satisfy the said judgment down to the sum of three thousand dollars, and further provided: "That if the State should not establish any claims against the sureties of said A. F. Free, or on payment of any claim which may be established thereunder, then the Attorney General is authorized and directed to enter full satisfaction on said judgment," but said judgment remains wholly unsatisfied, and no suit has been commenced by the State to establish its claims of the Sinking Fund Commission, and said judgment of the State is a lien on the property of the sureties and a cloud on their title, which prevents said sureties from executing deeds of conveyance to property which they have contracted to sell. Therefore,

SECTION 1. *Be it resolved* by the General Assembly of the State of South Carolina, That the Attorney General be, and

he is hereby, authorized, directed and required to enter full satisfaction of the records on said judgment obtained against P. W. Sandifer, E. M. Kennerly, S. G. Mayfield, C. B. Free and J. W.
